Dear Congresswoman Herrera Beutler,

Thank you for your interest in serving in public office. I am pleased to inform you that the Washington Council of Police & Sheriffs has chosen to endorse you in your congressional race. WACOPS is the oldest and largest organization in Washington advocating on behalf of rank-and-file peace officers throughout the state. Washington State law enforcement needs leadership at the federal level that is steadfast during these challenging times.

We look forward to working with you on a variety of public safety issues and value your effort towards building constructive community and police relations. We hope you will seek our input on those matters as well as issues related to the ongoing protection of collective bargaining rights, officer safety, and personal liberties.

Please use the endorsement of the Washington Council of Police & Sheriffs in support of your election.

Sincerely,

A handwritten signature in black ink that reads "Teresa Taylor". The signature is written in a cursive style with a large initial "T" and "T".
